AYA standard specifications

All AYA shotguns have **automatic ejectors**

Stock dimensions

Length to Centre - 15" Drop at Comb - 1½" Drop at Heel - 2½" Cast Off - ⅛"
(Stock measurements may vary slightly due to the degree of hand work involved)

Barrels

Barrel lengths are available between 25" and 30" to order at no extra cost. Barrels are chambered 2¾" except for .410, which is chambered 3". Magnum chambers are available to order at no extra cost.

Choking

If we do not have a gun in stock with the desired chokes, it may be ordered with specified chokes at no extra charge.

Special Orders

Any model in the range can be ordered as a Special Order, for which a separate quotation will be made. A non-refundable deposit will be taken, upon receipt of which the order will be confirmed. For available options, see the table below.
